

New Managing Director Ballingslöv AB

We are facing a new period in the Group and in this perspective Erik Hantoft and I have agreed to go separate ways. Erik will formally end his employment as of today.

Thomas Wuttke has been appointed new Managing Director for Ballingslöv AB as from March 25, 2009. Thomas Wuttke has until now been working as Purchasing Manager and Deputy Managing Director for Ballingslöv AB. Thomas has been in the company since 2001 which means continuity in the process of changes that has been ongoing during the last two years.

We thank Erik for his work for Ballingslöv AB and wish him and Thomas good luck with future challenges.
